

ACAÍ ENERGY DRINK

COMPANY

Açaí Motion® Group was created in 2019 to expand its activities and reach all over the world in the coming years. With a corporate structure in Brazil, the USA, the United Arab Emirates and Japan, it can meet all demands directly and without intermediaries. Being the idealizer and owner of the product and brand, with exclusivity, it creates several items to design Açaí Motion®, seeking with technological progress, creativity and innovation to develop a unique experience in the life of each consumer. Present in more than 20 countries, it is prepared to meet all global demands.

Exported from Brazil to dozens of countries, growing exponentially by acceptance, and should reach the whole world in the next 3 years, including being able to be bottled in any country, with the Brazilian preparation base.

PRODUCTS

Unique and exclusive formula, provides natural energy by the properties of its composition. Healthy energy drink! No taurine and no synthetic caffeine. Made with natural açaí and guarana extract. Balanced in B vitamins.

Unique composition: with black carrot concentrate and without red and blue dyes. Regular Version (with only 92kcal/269ml) and Zero Sugar (0% sugar). Lightly carbonated, it is designed for consumption by the whole family. Exported from Brazil ready for consumption or can be bottled in the partner country, with export of the preparation base 100% from Brazil. Equipped with BYGS - Global geolocation system with QR code on all cans produced (APP BYGS Android and iOS), which locates the point of sale and interests worldwide. First product with this global system.
